## **Sunflower Summer App Offers Kansas Families Free Access to over 115 Attractions**

Summer is a great season to go on adventures and spend quality time with school-aged kids. The Sunflower Summer App gives free access to some of Kansas' best museums, zoos, historic landmarks and more.

According to the Kansas Department of Education, "Social interaction and exposure to a variety of activities support healthy development. Sunflower Summer is an experiential approach to learning that can support the transition of school-aged children into the fall school term."

Sunflower Summer is accessible from May 26 through August 6. The app is available for download for free in both iPhone and Android markets. Every Kansas child preschool through 18 years of age and two accompanying adults may access a ticket voucher to each of the participating attractions in the Sunflower Summer app.

Sunflower Summer includes over 115 attractions with several options that are around an hour's drive or less away. Some places you and your family might want to try include Curious Minds in Parsons, Big Brutus in West Mineral, and Elk City State Park in Independence.

More information on Sunflower Summer is available at [sunflowersummer.org](http://sunflowersummer.org), or contact Michelle Broxterman, [mbroxterman@ksu.edu](mailto:mbroxterman@ksu.edu), (620)724-8233
